## A Garden Oasis!

### A Garden Oasis!

This 3 bedroom Oasis home built in 2001 offers you a large open plan living area with raked ceilings, further enhancing the feeling of space.

The kitchen features a walk in pantry, breakfast bar, large fridge alcove and a rangehood.

The 3 bedrooms are carpeted and the whole house kept comfortable by a ducted evaporative air-conditioner and a gas burning log fire, which keeps the whole house nice & toasty.

Out the front is a full length verandah, whilst out the back is a full length pergola with shade cloth, and a high clearance 4.5m x 6m carport is located at the side.

Approximately 2,000 gallon (9,000 litres) of rainwater is available (when the tank is full) for the garden and the house. Right down the back is a good sized garden shed.

The gardens are easy care with a watering system & micro sprinklers. There is a well shaded front & back with some magnificent trees and a lush lawn.
