Hamley Bridge

A place to call your home!

This home represents great value. It offers you 4 bedrooms, master with ensuite and walk in robe.

Loads of living space – The lounge is large enough for a pool table, there is a separate formal dining area, family room adjacent to the kitchen and a games room at the rear where you can overlook the back yard.

A comfortable environment is provided via the ducted evaporative air conditioner and a slow combustion heater. There is even a 1.6kw solar system to defray the power bills.

The big ticket items like the air conditioner, slow combustion wood heater, hot water service and solar inverter have all been replaced in recent years.

Outdoor entertaining is a pleasure under the large gabled timber verandah. In addition there is another large verandah across the rear of the home.
